February 2020 (52 000 bottles)

SERVING TEMPERATURE

To drink between 15° to 17°

POTENTIAL AGING

10 years

« Deep red with ruby highlights. A bouquet of red and black berry fruit with a balsamic spicy background. Superb fruity expression on the palate, very pure, juicy and sustained by wonderful freshness. Balance, length, controlled power. A Lirac full of energy »

(Guide Gilbert & Gaillard)
