

## TAVEL PRIMA DONNA 2019

---

*A combination of Grenache and Cinsault grown only on pebble terroirs, Prima Donna offers powerful aromas of red fruit and citrus fruit. On the palate, concentration and silky structure make this a magnificent wine for gastronomy*

---

### RATINGS :

**ROBERT PARKER :**

January 2020 (16 000 bottles)

### SERVING TEMPERATURE

To drink between 10° and 12°

### AGING POTENTIAL

10 years

---

*« Prima Donna is full-bodied and plush. It's rich and velvety on the palate. White chocolate fattiness enrobes raspberry and peach fruit, balanced by subtle citrus and cranberry undertones »*

*(The Wine Advocate)*
