TAVEL PRIMA DONNA

2022

A combination of Grenache and Cinsault grown only on pebble terroirs, Prima Donna offers powerful aromas of red fruit and citrus fruit. On the palate, concentration and silky structure make this a magnificent wine for gastronomy

“A bright raspberry pink colour. Delightful ripe fruit aroma with strawberries, red fruit, citrus fruit and light spices. An aromatic opening with a frank, structured and deep palate which offers a wonderful background for a lengthy expression of its southern character. A reference.”
