TAVEL PRIMA DONNA 2023

A combination of Grenache and Cinsault grown only on pebble terroirs, Prima Donna offers powerful aromas of red fruit and citrus fruit. On the palate, concentration and silky structure make this a magnificent wine for gastronomy

BOTTLING

Janvier 2024 (16 000 bottles)

SERVING TEMPERATURE

To drink between 10° and 12°

AGING POTENTIAL

10 years

“Bright raspberry colour with purple hues. A rich aroma with delicate fruity accents (strawberry, redcurrant) and a hint of candied fruit. Well-structured, full-bodied yet fresh on the palate, offering a balanced sensation.

Wonderful fruity and spicy intensity, a great partner throughout a meal.”

Guide Gilbert & Gaillard
