TAVEL PRIMA DONNA 2024

A combination of Grenache, Syrah and Cinsault grown only on pebble terroirs, Prima Donna offers powerful aromas of red fruit and citrus fruit. On the palate, concentration and silky structure make this a magnificent wine for gastronomy

March 2025 (20 000 bottles)

SERVING TEMPERATURE

To drink between 10° and 12°

AGING POTENTIAL

10 years

"Bright raspberry colour with purple hues. A rich aroma with delicate fruity accents (strawberry, redcurrant) and a hint of candied fruit. Well-structured, full-bodied yet fresh on the palate, offering a balanced sensation.

Wonderful fruity and spicy intensity, a great partner throughout a meal."

Guide Gilbert & Gaillard
